

MOTION BY SUPERVISOR DON KNABE

April 8, 2008

The Marina del Rey Anglers is hosting its 34th Annual Halibut Derby in Marina del Rey on Saturday and Sunday, April 5 and 6, 2008. This annual event helps support the Anglers' Youth Fishing Program, which provides ocean fishing excursions to 1,200 disadvantaged boys and girls from the Los Angeles area, and the Ocean Resources Enhancement Program, which has added over 102,000 healthy, juvenile White Sea Bass to the natural fishery.

The Derby is a great way to experience the waters of Marina del Rey, while joining in a community effort that helps the ecology and provides a great sporting opportunity for children otherwise unable to participate in such activities. In an effort to lower costs and raise contributions through Derby entrants and donated prizes, I recommend the County provide 15-free parking spaces at Parcel 44 for the Marina del Rey Anglers in connection with the 34th Annual Halibut Derby and waive the \$150 permit fee.

I, THEREFORE, RECOMMEND that the Board of Supervisors approve the waiver of parking fees at Parcel 44 and the permit fee in the estimated total amount of \$225 for the Marina del Rey Anglers in connection with its running of the 34th Annual Halibut Derby on April 5 and 6, 2008.
